

The following letter was written by Charlie Williams, Ministry to Men Director. After many requests for him to write a book about *Ministry to Men* and after several attempts to do just that, someone suggested he simply write letters sharing some of the truths God has been teaching him during the years.

We will be posting his letters on the Ministry to Men Web site. This letter was posted on November 30, 2010

Letter 19 More one liners Gal. 2: 20

Quotes from Oswald Chambers

'Many a soul begins to come to God when he flings off being religious, because there is only one master of the human heart and it is not religion but Jesus Christ'. (7/18)

'The Son's obedience was as Redeemer, because He was the Son, not in order to become the Son'. (7/19)

Another quote I've heard before but not sure who to give credit to is 'The curse of the majority of spiritual Christians is that they are too cocksure and certain there is nothing more to know than what they know. I Corinthians 10:12

God did not come to make bad people be good people. He came to make dead people come alive.

A quote from Watchmen Nee

'The blood changes God's perspective of me. I am made right with God because I'm covered by the blood of Christ. This cannot change because the blood is there for Christ to see not me. The cross changes my life and is a process of growth as a Christian. This can change because it involves me.

As I'm learning to trust Him and follow Him instead of trying to impress Him His will is accomplished in my life. His name is exalted in my life and His glory is magnified in my life. I want my life to show that I've given everything to God because He is fully trustworthy. Nothing under His control can ever be out of control.

I have no way of knowing whose life may be touched by God through me or through the ministry. The results of what He does through us are solely in His hands and under His care. Can I trust Him?

One of life's greatest rewards is not what we get, but who we become; who we are because of Christ Jesus.

Do you really know and live like you know that the Spirit of God lives within you, and that He always will?
