

The following letter was written by Charlie Williams, Ministry to Men Director. After many requests for him to write a book about *Ministry to Men* and after several attempts to do just that, someone suggested he simply write letters sharing some of the truths God has been teaching him during the years.

We will be posting his letters on the Ministry to Men Web site and changing them periodically, probably weekly. This letter was posted on July 24, 2010

More on Learning (Philemon vs 6)

God gives us a wonderful method of learning and He shares that with us as Paul shares with Philemon in that small letter he sent him. He said 'I pray that you would be active in sharing your faith so that you might have a better understanding of all you have in Christ'. So if I am learning to walk with Christ I need to be sharing what I'm learning and as I share God continues to teach me. That's a wonderful process. But I must be careful that my faith is not what I'm learning or what I trust in, but it is faith in God and the faith of God.
